So can we discuss the basic requirements now?

lonewolf199005 — 6/2/2025 11:43 AM

Requirements for me I want it animated to be able to move. Now, this is not required but if you can get the mask to move when I talk that would be cool but is not required.

I see

[11:52 AM]

Any specific thing you would like to add?

lonewolf199005 — 6/2/2025 11:54 AM

The only specific thing I can think of is it being part Eldridge horror I would like the ability for the legs to switch to tentacles if it's not too much.

@lonewolf199005

ok so about how much will it cost to make

Emilia Rim — 6/2/2025 12:00 PM

Since it's our first time working together so I'm open to hear your budget first so can i know how much are ya willing to spend on it?

lonewolf199005 — 6/2/2025 12:03 PM

my budget is about \$400

@lonewolf199005

my budget is about \$400

Emilia Rim — 6/2/2025 12:09 PM

I really appreciate your budget, but as you know this type of art requires significant effort and time. So is there any possibility you could increase your budget slightly it would be very helpful & appreciated for me. And you don't need to pay me the full amount now, we can agree on 50% upfront and the remaining 50% once you receive payment and approve the draft. I hope that makes sense.

lonewolf199005 — 6/2/2025 12:10 PM

you ask if i can up it slightly how slightly are we talking about

@lonewolf199005

you ask if i can up it slightly how slightly are we talking about

Emilia Rim — 6/2/2025 12:15 PM

So TBH with you, you are my client. I do create that type of art in \$450-\$480, but whoever commissions me first I would like to fulfill their request in their budget. But if you are able to increase your budget a little more, so that would be much appreciated and if not so that's no problem.

NEW

lonewolf199005 — 6/2/2025 12:16 PM

i can do the \$450 if that would be ok with you
